

APRIL 2013 PRAYER LETTER

Dear Brethren,

Psalms 27:13 I had fainted, unless I had believed to see the goodness of the LORD in the land of the living.

I know we know that the Lord is good but do we believe that we will see his goodness? Are we looking for it? I think we will miss it if we are not looking for it. We can certainly find all the wrong and all the bad. Society is certainly getting worse, along with government and any other corruption you can think of. Every time I go to Guyana, there are protests of some sort, tires burning in the street, people getting hurt. It is pure chaos. We hear of wars and rumors of wars just like the Bible says, yet in the midst of all this God still finds room to work. Pray for those that have been saved: Jewan and Lenox especially.

I have had a little set back involving my table saw. I know, everyone cringes when you say table saw. I had a board kick back on me and it pulled my hand into the blade. My middle finger on my left hand glanced across the blade damaging the middle knuckle. Surgery put it back together with a screw, but the knuckle doesn't work anymore. Please pray that I will somehow be able to play guitar again. Many churches do not have any music. The doctor bent the finger 30 degrees so that it might help, but it will take a lot of rehab. I hope I have the patience!

We are planning an upcoming trip back to Saint Martin to be with Pastor James Young. Pastor Steve Emmanuel, who pastored the Good Shepherd Baptist church, died last year and had a group of about 20 people. Those people are without a pastor now and without a church. We do not know the exact details of all that has transpired since his passing, but please pray that we can contact some of these folks to come to the church.

I am in need of Sunday school materials for ages 5-13. If you have some duplicate material or some you are not using (flannel graph, songs, verse cards, etc.) I have some pastors that could use them. Send it to my home church and they will get it to me.

Pray for Pastor Recardo Lees in the Bahamas, Pastor Dexter in Chocolate City, Grenada, Pastor Zachir in Guyana, Pastor Young in St. Martin, and Pastor Hazel in St. Lucia. These men need your prayers. There is much work to do.
