"And thence sailed to Antioch, from whence they had been recommended to the grace of God for the work which they fulfilled." Acts 14:26

Dear Brethren,

February 2016

The apostles were commissioned by the church in Antioch to do a work, and they fulfilled the work. It is good to know that you have accomplished your goal. Every year around September, we order scripture calendars. I always pray and ask the LORD what we should order. Whatever HE impresses on my heart to order, I order. So this year we ordered 37,000 scripture calendars and 6,000 children's calendars. We order two types of them; one has pictures to color and the other has photographs. A mission work donates them, and they are high quality. The LORD worked everything out. Everyone had a day off to unload them from the truck. We had some good weather and were able to pass out quite a few before the holiday season started. The Christmas season starts in Germany 4 Sundays prior to Christmas. We started out and every weekend was forecasted as rain! Rain is the killer for street ministry. Snow and cold are no problem, but rain.... The first weekend, it rained after we were done passing out the calendars! The second weekend, they have what they call a Stollenfest. Stollen is a Christmas cake and they make the world's largest Stollen and parade it through the streets. The weather was good and we were able to pass out all of the calendars we brought with us, and we took extra. The following Sunday, we eat together as a church and then go into town together: Rain! The next week was supposed to rain. We went out and were cut short. I was praying, "LORD, did I miss you? Please help us!" We go out Friday evening, Saturday, and Sunday. Normally Friday evening there are more rowdies out and the distribution does not go well. This year every Friday went extremely well, and the fourth week went extremely well and we were able to pass out all the calendars. Mission Accomplished! It felt good and we were praising the LORD! Please pray for the seed that was sowed this Christmas! We have many Czechs who come to Dresden. Samuel, who lives and works in the Czech Republic, says that the Czechs translate the calendars word for word!

On a family note, we were all together as a family for Christmas and then again for New Years. We had good services for both holidays and were able to spend time together. Praise the LORD! Daniel came with the Ball Family, whose daughter, Grace, he is courting, and we had a good Watchnight Service and New Years Fellowship. Manfred and Gisela Schroeter came to both services. They are 75 and 70 respectively and asked when preaching was, before they left the Watchnight Service. Daniel and Gabriel then preached the first two messages, and Michael took them home. The fellowship was actually Gisela's birthday. We had a celebration at church and there was much music. She was very happy. Manfred has had some problems with "humming" in his head. He has many health problems. We know through experience that you need to remember thy Creator in the days of thy youth. Please continue to pray for his salvation. Völker came to the services as well as the Krickhuhn Family. We met them when Daniel started guitar 16 years ago! The first Sunday of this year, Albert showed up for church. He is a retired Latin teacher as well as professor and staunch Catholic. He had not been to church for two years! Please pray for him!

Please pray for our "Boot Camp" in the Castle of Colditz. Our pastor as well as Bro. Gary Lutrick and Bro. Randy Everett will be coming and having a meeting in the castle where the old POW's were held. We have churches from Germany, Scotland, Wales and England scheduled to come. Pray the LORD would use it to have an influence for our blessed LORD and Savior in Europe!

Arise, go to Nineveh, (Dresden) that great city, and preach unto it the preaching that I bid thee. Jonah 3:2
